

School District 60 Framework for Enhancing Student Learning

The SD60 Framework for Enhancing Student Learning is our guide for creating district and school improvement plans. This framework reflects a commitment to our parents and education partners to work together to continuously improve learning for each student. It reflects local and provincial input and is aligned with the BC Ministry of Education Framework:

System-Wide Focus
career, human and
social, and intellectual
development

**Three-year district and
school plans,**
updated annually

**Meaningful and
Effective Evidence**
reported at least
annually by districts
and province

**System-wide Capacity
Building**
team-based supports
focussed on
continuous
improvement

Key Components:

| | | |
|----------|---------------------------|---|
| A | Vision/Mission | What is our 'raison d'être? What kind of school community do we envision? The visioning process encompasses reflecting on our core mandate and purpose, articulating our guiding beliefs and shared values. |
| B | School Context | What is the nature and context of our school community? |
| C | Goals | <ol style="list-style-type: none">1. Intellectual2. Human and Social3. Career/Skill development |
| D | Communication Plan | How will parents, the school community and the general public be informed, give feedback and be part of the process? |
