# SCHOOL DISTRICT #60

## Peace River North – Strategic Plan

**School District 60 is a place where:** \* Our **students** are safe and have a sense of belonging, take personal responsibility for their learning, and for their interactions with others, have both voice and choice and are fully engaged in their learning in arts and athletics as well academics. \* Our **employees** are engaged and passionate about their work; they take personal responsibility, take risks, and are empowered to make a difference for students. \* Our **schools** are student-focused, inclusive, welcoming, and reflective of community needs and values. \* Our **communities** are fully engaged with and share ownership of our schools.

The core values that guide our work: Respect, Compassion, Honesty, Responsibility, Relationships

Achieving our “North Star” will require the involvement and commitment of everyone in our Peace River North school community. Our four overarching strategies are:

<p><b>Delivery of Excellent Educational Programming Focused on Student Outcomes</b></p>	<p><b>Provision of Ethical Leadership Focused on Relationships and Continuous Improvement</b></p>	<p><b>Exemplary Management Practices Focused on Aligning Resources for Optimal Results</b></p>	<p><b>Engaged Governance Focused on Advocacy, Accountability, and Community Partnerships</b></p>
