

January 20, 2021

Dear Parent or Guardian,

Students who are currently in Kindergarten are invited to participate in Kindergarten Immunization at the Fort St John Health Unit during the week of **February 8-12, 2021**.

Due to current COVID-19 protocols, these appointments will be immunization only appointments. Due to space limitations only one parent/ guardian per child is to attend the appointment.

It is important to bring your child's immunization record with you. If you have never visited the Health Unit, you can phone to request a transfer of your child's records to this Health Unit.

Please call the Health Unit at 250-263-6000 and **make an appointment as soon as possible**. Write down your child's appointment date and time in the space below. You will not be receiving a written or phone call reminder.

**Please complete and retain this page so
you have a record of your appointment.**
